Preface

The District Industries Centre (DIC), Puducherry was established on 1st July 1978. DIC is an institution set up at the District Level, which provides wide range of services and support to the entrepreneurs, educated unemployed youth, artisans /artisan societies for setting up of Micro Enterprises.

DIC with its head office functioning at Puducherry and three sub-offices in the outlying District of Karaikal and regions of Mahe and Yanam plays a vital role in the area of developing budding entrepreneurs, providing employment opportunities to the educated unemployed youth by imparting various training under Vocational, Inplant, Handicrafts, Silk and Coir training schemes. It also provides financial assistance under Centrally and State Sponsored schemes viz. PMEGP and MUPSES respectively for setting up of self employment ventures and marketing assistance for sale of products by the industrial units of Puducherry by participating in various Exhibitions/Trade Fairs in the country.

DIC extends their wide services in establishing new industries to obtain various clearances/permission through a system called Industrial Guidance Bureau (IGB) where the entrepreneur/industrialists have been taken care in all respects in the course of obtaining permission/clearance/license for setting up of new industries.

A Task Force was constituted by the General Manager of DIC for formulation of the Citizen's Charter of this Department. The structure of the Task Force is given at Annexure.

The Citizen's Charter has been revised keeping in view of the observations of this Department and feedback from the stakeholders.
